

Wash and Dry in one go or just steam refresh.

The 7000 ProSteam® Washer Dryer is a 3-in-1 laundry machine that streamlines the laundry process for you with wash, dry, and steam programmes. Steam uses 96% less water*, and is gentler than washing, helping clothes look their best for longer.

* Internal test with a 1 kg load on the steam programme vs the delicates programme.

Product Benefits & Features

GARMENTS REFRESHED*, WRINKLES REDUCED WITH STEAM REFRESH

Steam Refresh neutralises odours* and reduces wrinkles on garments, including delicates, in just 25 minutes, all without washing. And if you would like an extra boost of freshness, just add our aromatic steam fragrance, for that just washed freshness.

Specialcare wash-to-dry. customised care even for wool and delicates

SpecialCare Wash-to-Dry adapts to each fabric type for gentle yet effective cleaning. This Woolmark Blue certified machine, washes and dries everyday items, delicates, and wool. It also restores the water protection of your outdoor garments.

* External test show neutralisation of cigarette smoke odour in a Steam Refresh cycle.

The universaldose drawer activates pods® 60% faster – giving extra power to quick and

UniversalDose is a unique drawer designed for PODS® capsules that uses tailored waterjets to soften, pierce and fully dissolve PODS® in the drawer, activating them 60% faster, compared to when placed in the drum. This gives extra power to stain removal in cold and quick 1-hour

Preciseload— adapts energy and water usage to the load size

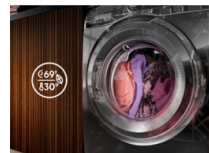

ProSense+ automatically adapts the cycle time, along with energy and water usage, in proportion to the size of the laundry load. So, you get customised laundry cycles that save energy and water when washing and drying smaller loads.

*Internal test using a cotton 30°C one-hour programme, comparing PODS® in the UniversalDose drawer vs. PODS® in the drum

Mixload saves you time. effectively cleans clothes

MixLoad adjusts energy usage and drying time based on load weight when cleaning daily mixed loads. MixLoad washes clothes at 30°C and in just 69 minutes. Go with MixLoad for optimal performance, and effectively cleaned clothes.
